Keeping a Tradition of Excellence

Our School

Kings Nursery and Primary school is a Modern academic establishment located at Najjanankumbi-Kabowa (along Entebbe road) – Kampala Capital City. The school is fully registered with the Ministry of Education of the government of Uganda (Reg. No.PPS/K/435) and has a National Examinations Centre No. 131005.

Our Unique Approach

In addition to routine teaching and with guidance from the Ministry of Education, Kings School imparts critical life skills among all learners. This empowers the learners to build confidence in themselves, develop a critical, analytical and optimistic character as well as empowering them to grow as Global citizens. At Kings Schools, children enjoy a flexible program that combines classroom work, practical illustrations and learning through play. Children are further given liberty to ask, contribute own knowledge and express themselves on any study topic both within and outside the classroom.

The Pupil Community

Our School is open to children and parents from all walks of life. Apparently the student community comprise of children from almost all corners of Uganda, Kenya, Tanzania, Rwanda, Congo, Nigeria, Sudan, Ethiopia, Eritrea, Cameroon and Britain. In spite of varied nationalities, all children and parents are accorded equal opportunity and treatment.

Similarly, the school enrolls all religious denominations including Catholics, Anglicans, Adventists, Moslems, and Pentecostals etc. So we accommodate all religions, nationalities and cultural orientations without any discrimination.

Our Vision

Kings School is set to become a Leader in the provision of quality Nursery and Primary Education in Uganda

Our Mission

Kings School endeavors to produce Confident, Knowledgeable, Articulate and Skilled children

Our Core Values

- Innovation - The school believes in continuous improvement by bringing new and better services, introducing better systems and processes every time, so to match the changing needs of the modern market
- Excellence – At Kings we endeavor to look for the best in everything we do. All staff and learners are challenged to seek alternative ways of doing things so to provide a good range of choices hence identifying and agreeing the best in whatever we do.
- Integrity – Kings School promotes and ensures that there is transparency, honesty, accountability at every point and level of operation. Learners and staff are empowered to harness the benefits of a truthful character and to take responsibility of all outcomes of their actions and in-actions, with confidence.
- Synergy – Our school believes in team and partnership building

at individual, departmental and institutional levels. We believe in sharing information, knowledge and experiences at all levels and generally working together. This saves time, resources and gives birth to best practices.

- Global Exposure – We endeavor to engage both staff and learners in all activities that promote their knowledge and understanding from a global perspective. We believe in empowering our school community to match the global thinking and development so they remain relevant in this fast changing global market place. To this end the school provides opportunities to visit different places in Uganda, East Africa and at least one study tour to selected countries in Europe every year.

Admissions

Kings Nursery school admits children from 3years while Kings Primary school accepts children who have completed Nursery school at a minimum age of 6. Admission to higher classes is based on successful passing of a basic entry interview. These interviews normally begin in the month of August for the following year's enrolment.

Legal status

Both Kings Nursery and Kings Primary Schools are fully registered with the Ministry of Education, Sports, Science & Technology (Reg.No. PPS/K/435) of the government of Uganda

OTHER SERVICES

Transport Services

The school has a well-equipped and organized transport facility with a fleet of 8-omni-buses and over 16 well trained transport officers. Our transport staff endeavor to pick children from their door-step in the morning and return them to the same point in the afternoon or evening as the case may be. All transport staff are well trained, experienced and motivated with regard to driving, public relations, child-handling, communication, safety and security.

Boarding Services

The school has a very homely and well equipped self-contained boarding facility that make it a "Home away from Home." The facilities are also manned by well trained, caring and loving Care-takers, who attend to the residents on a 24-hour basis.

Health care

We provide emergency care to all accident and emergency illness cases at school. In situations where more specialized or sophisticated care is required, the school delivers the patients to bigger health facilities with the parents' consent and guidance.

Catering

The school provides breakfast, lunch and a snack in the afternoon for day scholars. Resident pupils receive all meals at school. The school menu is critically thought out and alternated to provide a variety and a well-balanced diet. This includes but not limited to;

The boarding students are also provided with fresh cocktail juice to accompany their meals on a daily basis.

Leadership Development

As one way of empowering and preparing the learners for a better future, the school integrates pupils in daily management and leadership roles. To this end pupils are given opportunity to compete for leadership positions through a rigorous electoral process and voted into office. Successful candidates are given specific leadership position job descriptions and are made part of the day-to-day school administration.

KEY EVENTS OF THE YEAR

A) Annual Cultural Gala

Given the diversity of cultures and backgrounds, the school organizes a special event to show-case the beauty, wealth and capital of the various cultures that form our school community. The shows range from dressing, norms, language, cultural activities, staple food, cultural ceremonies, leadership orientation or styles and the most important or significant aspects thereof.

The cultural galas take place normally in the month of April and are attended heavily by parents, relatives, friends, well-wishers and admirers. They are also attended by guest cultural presentations mostly from our partner schools in Europe particularly from

Sweden and Germany. Considering the quality and variety of presentations that are extremely exciting and educative, the galas enjoy wide coverage from the radio, Television and print media.

B) Annual Sports Galas

Our school also organizes a sports competition usually in the second term of every year. This empowers children to work together and build a team culture, learn to exercise as well as developing a skill of peaceful competition. The sports events also act as a get together for parents, staff, learners and well-wishers.

C) Annual Show-Case Days

Our annual theater shows take place usually in the month of November. The events give opportunity to the various children to show-case their talents as well as skills, knowledge and abilities acquired in the course of the year.

Benefits of studying at Kings Schools
